SHORT COURSES – 2016/2017

CIVIL TRAIN
The Training Division of the CCF

// ABOUT CIVIL TRAIN

Civil Train is a nationally certified Registered Training Organisation (RTO), and the training division of the Civil Contractors Federation Queensland Branch (CCF QLD); the peak industry body for the civil construction industry. We have been delivering training to the civil construction industry for more than 10 years and are focused on ensuring our industry is skilled for the future.

With a focus on customer service, flexibility and professionalism, Civil Train is an industry leader for high quality training within the civil construction industry.

// CIVIL TRAIN QUEENSLAND SECURES SHORT COURSES FUNDING

Civil Train Queensland has secured funding from Construction Skills Queensland to deliver short

courses to workers in the building and construction industry (eligibility criteria apply).

// UP-SKILL AND GET THE EDGE

The Short Courses program provides funding to assist with up-skilling and cross skilling existing workers in the building and construction industry. The training focuses on the safety, regulatory and licensing requirements of the industry and can provide you with a range of competencies that employers need; and as the program name suggests, our Short Courses are designed to get you up-skilled fast.

// DISCOUNTS

Members of the Civil Contractors Federation Queensland Branch receive a 10 per cent discount on course contribution fees.
